K3 Nordic – The number one Ingram Micro Cloud partner in Europe

The Ingram Micro Cloud Partner Awards – announced April 19 at the 8th Annual Ingram Micro Cloud Summit in Phoenix.

Marketplace Award (Europe), 2017 – K3 Nordic

Besides selling development tools such as MSDN/Visual Studio, K3 Nordic has increasingly focused on Microsoft Cloud, selling Office 365 seats within the SMB segment in transactions by phone and the Web. As the #1 Ingram Micro Cloud partner in Europe, K3 Nordic increased the number of cloud vendors by 53% year-over-year and grew its cloud management platform business by more than 1,700%. K3 Nordic has chosen Ingram Micro as its number-one distributor due to our high service levels and expertise in the cloud.
